Get ready to play READO and read! DIRECTIONS: Pick a square and read the books described in the square. You must complete 5 squares in a row (just like a Bingo card): vertically, diagonally, or horizontally. Be sure to mark the square with an X after you complete it. A title can only 'count' in one space. Fill in the reading log on the back and turn in your completed READO form to your teacher **by Friday, August 25, 2017**. As you read, ask your parent to initial your form. Have fun with READO!
