2017 Summer Reading for Calhoun Academy

Rising 4th - 5th Graders

Name _____

Get ready to play READO and read! **Directions:** Pick a space and read the genre listed there (in your reading range). You must fill in 5 squares in a row (just like a Bingo card): vertically, diagonally, or horizontally. Fill in the title and date as you complete the reading for each square. A title can only 'count' in one space. Read books that you have not read before. Ask your parent, an adult family member, or a librarian for help at the public library, bookmobile, or bookstore. On the back of this card, respond to the questions about each book you read. Complete "In the Know" on the back-- a newspaper/magazine article opportunity. Return your completed READO card (front and back) to your teacher by **Friday, August 25, 2017.**

Signatures indicate that the work has been done. Signatures are required. Have fun with READO!
