**** You are responsible for calling and reminding the rest of your crew.**

***** You will need to set up a gate bc you will not have gate coverage. The gate needs to be set up at the front entrance and not by the bathrooms bc some people park in the rear.**

Parents working the first shift should arrive an HOUR before game time. Parents working the 2nd game should be at the canteen immediately after the first game ends. Please be sure that your assigned time works for you. If not, it is **YOUR RESPONSIBILITY** to find a replacement. You may trade places with other parents or have someone work in your place.
